EXAMINER'S AMENDMENT and REASONS FOR ALLOWANCE

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul Kiel (Reg. No. 40,677) on 01-19-06.

The application has been amended as follows:

In the claims:

Cancel claims 5-6.

In claim 1, line 6: delete "means for applying" and insert in its place -- an interface controller and operational contacts, said interface controller applying --.

In claim 1, line 11: delete "means for determining" and insert in its place -- said interface controller determining --.

In claim 1, line 13: delete "wherein means" and insert in its place -- wherein buffers are provided between the interface controller and selected one of said operational contacts --.

In claim 7, line 5: delete "reader having" and insert in its place -- reader having an interface controller and --.

Art Unit: 2112

In claim 7, line 18: delete “second type.” and insert in its place -- second type, wherein operational contacts are enabled and disabled using buffers disposed between said interface controller and selected one of said operational contacts. --.

2. The following is an examiner’s statement of reasons for allowance:

The claims include the limitation of determining whether the IC card is of a first type or a second type using the card’s response signal to a first signal wherein buffers are disposed between the interface controller and operational contacts for one of blocking and enabling respective signal paths associated with selected ones of said operational contacts to implement an interface for one of the first card type and the second card type, which is not shown by the prior art of record, in the combination as disclosed and claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
